

OUR SERVICES

OVERVIEW

We've been helping customers with their spaces since 1945. Our team of specialists includes consultants, interior designers, coordinators, project managers, and installers. As a team, we take great pride in our ability to create environments that:

- Optimize real estate
- Attract, engage, and retain talent
- Enhance collaboration
- Build brand and culture
- Contribute to overall wellbeing
- Integrate innovative technology

SERVICE-LINES

We're continually adapting to industry and customer needs. Our 70 years of experience inspires an evolving portfolio of SERVICE-LINES that includes:

- FURNITURE:

Our Workplace Consultants have the expertise to assist in making the best choices from a broad range of furniture solutions.

- AUDIO-VISUAL & TECHNOLOGY:

Our trained and accredited IT and A/V specialists will help you make the right investment for your space.

- FLOORING:

From commercial carpet to luxury vinyl tile, we have a wide range of floor covering options to fit the needs of your space.

- RELOCATION SERVICES:

We'll move your people and assets to a new location with a tailored plan that ensures minimal disruption.

- ARCHITECTURAL WALLS:

Providing superior alternatives to traditional construction that are simpler to build, easier to change, more environmentally responsible, and much more cost effective.
